PMID to UA Vitae

Step 1: Locate the publication PMID(s) from a list such as a CV:

![Image of PubMed search results]

Step 2: Go to PubMed through the library’s homepage (ahsl.arizona.edu) under Top Resources. In PubMed, input the PMID numbers one right after another into the search box then click the “Search” button:

![Image of PubMed search interface]

Step 3: The publications for each of the PMID numbers will be retrieved in the search all at once. You may then follow the video instruction steps (Under PubMed & MyNCBI tab, look for the “Export from PubMed to UA Vitae” video) for how to transfer the publication citations to UA Vitae:
