Evaluating Digital Resources

**Directions:** With a partner, take a look at the two resources below on the topic of bullying. Then answer the questions. You will have 5 minutes to look at both resources.

Which of these two resources do you think is more credible, Resource 1 or Resource 2 or are they equal?

Give some reasons why:

1. 
2. 
3. 

**Stop for Discussion**

**Directions:** Next, go to Wikipedia and search for information on each of the groups that published the articles above.

American College of Pediatricians – What did you find out about this group?

American Academy of Pediatrics - What did you find out about this group?

**Stop for Discussion**

**Directions:** Next, Google each of the groups. Locate one source that discusses each group. Your source must be about the group (newspaper article, blog, magazine article, scholarly article).

Did you find out anything new about either group? If so, what?
